December 2017 | Wabash Mutual Telephone Company

volume 14, issue 4

COMPANY UPDATE CONSTRUCTION

Our crews are working in the original serving area, building the area with fiber-to-the-home (FTTH) service. The area between Township Line Road east to Burkettsville-St. Henry Road and from Kuhn Road to State Route 219 is complete. Crews are now working west of Township Line Road on St. Anthony Road.

FTTH has been installed around the new Eaglebrooke Parkway circle in Celina and to new lots in the Wenning Acres subdivision in Coldwater.

Our team is also upgrading our wireless customers with new LTE equipment.

NEW OFFERING FOR BUSINESSES

Wabash is actively deploying hosted PBX phone systems, a new offering for our customers. This IP-based phone system brings businesses more flexibility and mobility than traditional phone systems are able at an affordable cost. Our team is certified and would be happy to discuss the benefits this feature-rich system could bring your business.

VOTE FOR OUR TREE

Wabash is participating in the Fort Festival of Trees held at the Fort Recovery Public Library. Stop by December 4-30 during the library's business hours to check out our tree and all of the locally decorated Christmas trees. And, be sure to vote for Wabash's tree!

SCHOLARSHIPS AVAILABLE CALLING ALL HIGH SCHOOL SENIORS!

Wabash is proud to offer \$3,000 in scholarships to qualifying 2018 high school seniors who wish to further their education. Applicants must be a child or legal ward of a Wabash Mutual Telephone Company member.

Further, Wabash is excited to continue its participation in the National Telecommunications Cooperative Association (NTCA) and Foundation of Rural Service (FRS) 2018 College Scholarship Program. This program offers 30 scholarships, awarding \$2,000 to at least one person per region. If you're awarded, Wabash will contribute an additional \$500 to the scholarship, bringing this one-time scholarship award to a \$2,500 total.

Details and applications for Wabash's scholarship and the FRS 2018 College Scholarship Program can be found on our website: wabash.com/about-us/scholarships/.

Applications must be delivered to our office by March 1, 2018.

*Have yourself
a merry little
Christmas!*

TEAM TALK

RANSBOTTOM RECOGNIZED FOR 5 YEARS

Chad Ransbottom recently celebrated five years with Wabash! As Install and Repair Supervisor, Chad works with his team to prepare and install services at area businesses and residential properties, while overseeing the daily operations of his team. When not at work, he enjoys spending time with his wife and family, and volunteering with the Rockford Fire Department.

Thank you for all of your hard work!

TAYLOR JOINS TEAM

Aaron Taylor joined the Wabash team in October as an Install and Repair Technician. Aaron brings technology and installation experience to the team, including his service in the Navy on the USS Albany and USS Nimitz. Aaron, along with his wife and son, enjoys camping and cheering on the Denver Broncos and the Michigan Wolverines.

Welcome to the team!

GIVE THE PERFECT GIFT YOUR SEARCH ENDS HERE

Socks are nice, but here are a few other useful gift ideas that are sure to bring smiles.

- Wabash Gift Certificate
- Upgrade Internet Speed

☀ Buffering?

ELF THAT!

Even Santa doesn't have time for buffering.

Lucky for you, you have access to the fastest and most reliable internet around.

- Speeds up to 1 Gig!
– that's 1,000 Mbps!
- Plans to power all of the devices in your home
- No fee to change plans
– why not try a higher speed?
- Local technical support, 24/7
- \$25 referral credit
– no limits, so refer everyone

Don't let your friends settle for slow downloads and buffering. Refer them to your service provider: Wabash!

Please know that service may not be available in all areas. Actual performance may vary by location and package level.
