

Wabash StreamTV Installation

on an Amazon Fire TV Stick

A. Install the Fire Stick on your television.

- Start with your TV on.
- Follow the instructions that came with your Fire Stick. *Be sure to note the port/ input number where you insert the Fire Stick.
- * *You will need an Amazon account.*
- * *Have your WiFi username and password at hand.*

B. Download the YourTV Green app.

1. Using your Amazon device, go to the search function (magnifying glass icon) at the top left corner of the screen.
2. Type (or use the voice search) *yourtvr green*
3. When it appears below, navigate down to highlight it and click the center button to select.
4. Find and select *YourTV Green* app:

5. A new screen will appear. Near the bottom, select *Download*.
6. Once downloaded, you can select *Open* from that screen, or click the Home button (house icon) on the remote and find the app to open. If it asks, select *Next*.
7. Follow the instructions on the screen using the credentials below.
8. Click next and enjoy!
