

December 1, 2024

Wabash Member,

Everything we do is centered around you, our members.

Looking back at the past year, it's clear that focusing on our members has once again helped us reach important goals. Whether it's enhancing our services, expanding into new areas, or investing in the communities we serve, your support continues to be the driving force behind our success.

In reviewing the statement of income and balance sheet, it shows that we've done well financially too. The numbers reflect a strong, stable, and growing company. We are in a great position to keep you connected and make life better in the communities we serve. If you have any questions about the report, you can contact your Board of Directors or myself.

We were happy to allocate patronage capital credits, which are shown on your December statement. This number represents more than 15% of your total service expenses. As a reminder, capital credits will be paid back to you in years to come. This year, Wabash returned patronage capital to those who used the company's services in 2000. Eligible members received their refund as a credit on their December bill.

At Wabash, we are proud to be locally owned and operated since 1911. No other fiber communications provider in Mercer County or the surrounding area can say the same. Keeping your dollars local and supporting community activities is an important part of who we are. We hope you are proud of this distinction as well!

Thank you to everyone—our employees, our board of directors, and our members—for your support and all you do to make these many achievements possible. We have so much to look forward to.

Sincerely,

A handwritten signature in blue ink that reads "Mike Boley". The signature is fluid and cursive, with the first name "Mike" and last name "Boley" clearly distinguishable.

Mike Boley
President & CEO
Wabash Mutual Telephone Company

Fast Facts

Beginning as a local telephone company, Wabash has flourished over the century to remain cutting-edge in connecting people. We intend to continue adopting ever-advancing technologies and growing our service area, all while keeping customer service as our focus.

110+ Years Strong

Wabash has proudly served our communities since 1911.

Co-op Values

Our customers are our members. They own the company.

We're Local

We are locally owned, locally operated and locally committed.

24/7 Support

Our support is local and available 24/7 by phone. We're just a call away!

Fast Internet

Up to 10/10 Gig (that's 10,000 Mbps!) with no data caps.

TV to Entertain

Locals from Dayton & Lima. 230+ channels. Standard box or StreamTV available.

Tried & True Phone

It's been our roots! Reliable residential phone & HPBX for businesses.

No Promo Contracts

We won't force you to stay. Month to month pricing is just a better way to do business.

Our Team

Wabash's team of 26 employees is dedicated with 200+ years of experience.

Board of Directors

Governed by five directors who are elected by our member-customers.

Fiber to the Premise

We are continually building and expanding our fiber network to new areas.

Stop By!

Our offices are located at 6670 Wabash Road, Celina and 118 E Market Street, Celina.
